Dear Applicant,

Thank you for your interest in becoming a vendor with Heirloom Farmers Markets at the Wednesday Green Valley Village Farmers and Artisans Market! We are proud to serve the many wonderful farms and food producers, artists and artisans, local businesses and patrons of Southern Arizona.

At HeirloomFM, our mission is to connect, educate and empower our community to create a healthy food system. Over the past 16 years we have cultivated a highly effective brand and built a large base of loyal customers who depend on our markets for the high quality, integrity and diversity of our vendors. HeirloomFM has been the catalyst for the growth and success of many small businesses. We have carefully prepared this year's artisan vendor application with the goal of continuing this tradition.

ALL vendors, regardless of past participation, must submit a completed 2018-19 application in order to be considered for the year. There is an open application period from June 1 through June 30 when applications may be submitted for the Winter season. *Please note that a submitted application does not guarantee you will be selected for the Winter season.* All vendors must submit a new application each year. Please complete this application as thoroughly as possible as it will help us to best determine vendors for the year. Applications may be submitted either in person at any of our markets, or by email, mail or fax.

The priorities for artisan vendor selection include, but are not limited to: locally handmade and produced arts and crafts made by the seller, 80% of the products sold are made by the seller, unique (but not oversaturated) product representation, and professional vendor conduct. Although the emphasis will be on these criteria, it will not be to the exclusion of unique products that represent the Southwest, as well as products that meet the demands of customers.
